## **Sports and Extracurricular Activity Contract**

As a member of a sports team or any extracurricular activity, you are a representative of Visitation BVM School. It is expected that all students, especially those representing the school at public events stand for the qualities that make up the motto of our school- HONOR, INTEGRITY, and RESPECT.

In order to be a member of a team or club, the following must be adhered to:

1. A student must be passing all classes.
2. A student must complete all assignments- including homework and classwork.
3. A student must not receive any detentions.
4. If a student is absent on the day of the event/game, they may not participate.

If any of the above are not followed, the student will be ineligible from participating on a team, in a club, and/or other school sponsored activities for a period of time until the situation is resolved and he or she is once again in good standing.

I have read the above and have reviewed this policy with my child

Student's Name: \_\_\_\_\_ Date \_\_\_\_\_

I have read the above and understand that it is my responsibility to be the best representative of Visitation that I can be.
